

Students may take AR tests at home. They may test on books read at home or in school. To check if a book has a test, go to [www.arbookfind.com](http://www.arbookfind.com). You may access Clever by scanning the above QR code and selecting Log in with Clever Badge. Your student's Clever badge should be in his/her binder or take-home folder.

From Clever, select the Renaissance Place app to log in to AR:

Quizzes may be searched by the book title, author, or quiz number (found on the inside front cover of FHES library books.)
